Welcome to the 2nd Annual Berlin Peach Festival. The mission of the Berlin Heritage Foundation is to promote the Town of Berlin through the presentation of its historical past. The Calvin B. Taylor House Museum demonstrates a lifestyle circa 1830, and the gallery of the house presently has a display of memorabilia from Berlin's past. We encourage you to take a tour of the House Museum and to become a member of the Berlin Heritage Foundation supporting the work of the organization.

The Peach Festival was revived after a long hiatus and we hope you will enjoy yourself and learn much about the Harrisons' Nurseries and the agricultural significance of Berlin past and present.
